## Special Terms and Conditions

### Terms and Conditions of Use

When purchasing an MP Biomedical's product, you expressly agree to the following special terms and conditions:

#### PAYMENT TERMS:

For companies with approved credit by MP Biomedicals LLC, the standard terms are net thirty (30) days, FO.B. Solon, OH, USA. Payment must be made in U.S. dollars. Prices are subject to change without notice. Orders from individuals or companies not wishing to establish credit can be prepaid by check, credit card, or wire transfer. MP Biomedicals accepts Visa®, Discover®, MasterCard and American Express®. For placing and payment of orders, please provide the name on the card, the account number and the expiration date. If paying by check, please remit all payments to our mailing address. For a credit card payment, please add a valid credit card to your web account.

MP Biomedicals LLC  
29525 Fountain Pkwy, Solon, OH 44139  
Phone: 1.800.854.0530  
Email: custserv.na@mpbio.com

#### PRODUCT USE LIMITATIONS AND WARRANTIES:

Unless otherwise indicated, MP Biomedicals products are for research use only. The sale of MP Biomedicals products does not grant any right to the Buyer to reproduce, modify or repackage the products, or any derivative thereof, for resale to third parties. MP Biomedicals products are sold as is. MP Biomedicals makes no expressed or implied warranty of any kind, including, but not limited to, implied warranties of merchant ability or fitness for any particular purpose. By accepting any and all MP Biomedicals LLC products, Buyer indemnifies and holds MP Biomedicals LLC harmless against, and assumes all liability for, the consequence of the products' use or misuse by the Buyer, its employees or others. Buyer's exclusive remedy, and MP Biomedicals sole liability hereunder, shall be limited to product credits, refund of the purchase price, or replacement of all materials that do not meet our specifications. The choice of remedy lies with MP Biomedicals LLC. Refunds or replacements are conditioned on Buyer notifying MP Biomedicals within thirty (30) days of receipt of any product that does not meet our specifications. Any failure of Buyer to give notice within thirty (30) days shall constitute a waiver by the Buyer of all claims hereunder with respect to said materials.

#### CUSTOMER SATISFACTION:

One of our main priorities is customer satisfaction. If you have any questions or comments, please call our customer service department at 1.800.854.0530 or email at [custserv.na@mpbio.com](mailto:custserv.na@mpbio.com).

#### EXPORT CONTROL REQUIREMENTS:

**US DOMESTIC SALES:** As express consideration for the purchase of MP Biomedicals products, you agree that this purchase is only for domestic use in the United States. If, at any time, you decide to export or re-export an MP Biomedicals product, you must obtain any necessary license and/or authorization required prior to the export or re-export.

#### INTERNATIONAL SALES:

MP Biomedicals requires that the destination of its products be declared at the time of sale. As express consideration for the purchase of MP Biomedicals products, you agree that these products will not be diverted, re-exported, or used in any manner contrary to U.S. law. With sales of certain products, it may be necessary for you to certify your agreement with the foregoing, in writing, which will be retained in our files.

#### RADIOCHEMICALS LICENSING REQUIREMENTS IN THE UNITED STATES:

The possession and use of radioactive material are regulated by either Federal or State laws. It is the responsibility of the customer to comply with all applicable regulations regarding the procurement, use and disposal of radioactive material. MP Biomedicals, LLC is required by law to verify the customer's authorization to receive and to possess radioactive material prior to any shipment of the same. It is MANDATORY that a copy of the prospective customer's current and official NRC License or Agreement State Radioactive Material License be maintained on file by MP Biomedicals. In accordance with this requirement, prospective customers are asked to forward copies of licenses, amendments and letters of certification regularly addressed to your local MP Biomedicals office. In the U.S. please forward this information to:

MP Biomedicals LLC  
Attn: Customer Service  
29525 Fountain Parkway  
Solon, OH 44139  
Or via email at [custserv.na@mpbio.com](mailto:custserv.na@mpbio.com)

#### LICENSE-EXEMPT QUANTITIES:

Section 10CFR30.18 of the USNRC regulation or an equivalent regulation of Agreement State authorizes the possession of exempt quantities of radioactive material under a general license. However, MP Biomedicals is authorized to distribute radioactive material only to specific licensees. If in doubt, please forward a copy of any exemption certification and MP Biomedicals will judge whether shipments of radioactive material are authorized.

#### SPECIAL ORDERING:

Standing orders may be placed for your estimated annual requirements for one or more of our products. Such standing orders may be eligible for discount pricing and will allow us to reserve specific lots of material for you. Blanket orders can be placed for purchases exceeding \$100.00 (U.S.).

As a manufacturer of specialty reagents for the Life Sciences market, MP Biomedicals LLC supplies cost-competitive bulk quantities of many products listed in this catalog. Please contact us via phone, fax, or e-mail with your request. MP Biomedicals LLC manufacturing capacity and stringent quality standards assure that your bulk product requirements will be met in a timely and consistent manner.

#### ADDITIONAL INFORMATION:

The following NRC-licensed states regulate the use of natural or accelerator-produced isotopes: Delaware, Massachusetts, Michigan, Missouri, New Jersey, Ohio, Pennsylvania, Virginia, West Virginia, and Wisconsin. For further information regarding shipping procedures, special services, packaging, and more, please refer to the above introductory material of the Radiochemical section.

#### SECURITY POLICY:

When purchasing from MP Biomedicals your financial details are passed through a secure server using the latest 128-bit SSL (secure sockets layer) encryption technology.
