

## TECHNICAL INFORMATION

Catalog Number: 102358

### 4-Methylumbelliferyl sulfate potassium salt

#### Structure:

**Molecular Formula:** C<sub>10</sub>H<sub>7</sub>O<sub>6</sub>SK

**Molecular Weight:** 294.3

**CAS # :** 15220-11-8

**Physical Description:** White powder

**Description:** A fluorometric substrate for the determination of sulfatase

**Solubility:** Soluble in DMSO (30 mg/ml-faintly hazy, colorless solution)
