Certificate of Analysis

Description: MP ALUMINA N 32-63

Catalog number: 0202045

QI Request No: 00049791

Lot number: 20XX

Expiration Date (DD/MM/YYYY): 15/07/2030

Formula: Al_2O_3

Main Component: Oxide of Aluminum

Color: White to Light Pink

Physical Appearance: Free Flowing Powder

Odour: None, When Dry - Minerallike, When Wet

Test Description	Specification	Result	Comments
Loss on ignition no formular	<7.0	**=5.0**	N/A
Measurement of pH-value	6.0 - 8.0	**7.6**	N/A
Particle size distribution (D10/D50/D90)	PASS	**PASS**	N/A

Additional Product information

Specific surface [m²/g] : about 200
Bulk density [g/ml] : about 0.8
Molecular weight [g/mol]: 101.96
Melting point [°C] : about 2,046
Toxicity : non-toxic
Remark : Keep container closed
